CLOUD BACKUP & RESTORE

ENHANCED SUPPORT

CLOUD LICENSING

With the new ESSENTIALS subscription, you can assure your clients that their home can always be up-to-date with the latest Savant software features and advanced integrations. Subscriptions are annual, but designed so you can stack to complement your service contracts, up to 5 years.

All 9.x compatible systems can be upgraded to daVinci 10 simply by applying the annual ESSENTIALS Subscription.

NEW

ALL THE LATEST FEATURES

With an ESSENTIALS Subscription on every job, you will always have access to the latest software. Remotely access a client's home and upgrade without having to roll a truck.

CLIENT EXPERIENCE

With our all-new homeowner dashboard, coming in Q1 2022, your clients will be able to view camera history, manage users, and get helpful tips on how to create a scene, timer and more.

RECURRING REVENUE

With our new annual smart home subscription, your business is well positioned to add a recurring revenue stream. Savant ESSENTIALS complements your service model and assures access to the latest software features without surprise fees to your clients.

Latest Software Updates

• Access to the latest features and enhancements throughout the life of the subscription

Remote Pro App Features

• Savant Pro App Remote Access
• Savant Pro App Notifications
• 2N Door Station Clips

Advanced Integrations

• Lutron LEAP (QSX) - Requires Integration Box
• Ring Door Entry*
• Savant Home App for Apple TV*
• Zoom Rooms*

*No longer requires separate Savant Feature License (SFL)

Cloud Back-up & Restore
COMING Q1 2022

• Secure cloud-enabled home backup
• Stores configuration for easy restore through Pro App
• Saves all User Personalization - Scenes, Photos, Favorites
